Memo no. DM/APD/666

Dated: 17.06/2021

To,

The Officer-in-Charge,
Birpara Police Station,
Dist: Alipurduar

Subject: FIR against The Manager, Dalmore Tea Estate, Birpara for Elephant death at around 1:30am on 16.06.2021 at 12No section inside the residential premises of Asst. Manager's bungalow, of Dalmore T.E., PS Birpara, Dist. Alipurduar.

Ref: 1. Complaint case regarding the death of an Indian Elephant due to sagging of electric lines read with reference OR No. 130/DLG of 2021-22 of The Forest Range Officer, Dalgaon Range, Jalpaiguri Division vide memo no: 135/DLG-15 dated 17.06.2021
2. Memo no DM/APD/Safety/2362 for immediate removal of any unauthorized lines within the garden premises dated 09.12.2020.

Sir,

A Telephonic intimation was given by the forest department at around 7:00am on 16.06.2021 about the unnatural death of an Elephant at section 12No, near the residence of Asst. Managers Bungalow under Dalmore T.E., PS Birpara, Dist Alipurduar. When the site was visited by the SM, Birpara, WBSEDCL and the forest officials it was reported that the accident took place around 1:30am (night) on 16.06.2021.

At site it was noticed that the dead carcass of Elephant was lying on the field nearby a Kathal tree near The Asst. Managers Bungalow just beside an 11KV line. The Garden Management of Dalmore Tea Estate had unauthorizedly extended that 11KV line for a nearby pump house within the Garden area which is after/beyond the metering point of WBSEDCL. The accident took place when the Elephant came in contact with the live wire, due to low height and low sag of the unauthorized extended 11KV line.

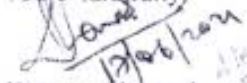

The Forest Officials have confirmed that the cause of the death was due to Electrocutation and has also asked to take stern action against the Garden Management. (letter enclosed vide Ref 1)

It is also to note that a letter was issued to the Manager, Dalmore T.E. on 09.12.2020 vide memo no DM/APD/Safety/2362 for immediate removal of any unauthorized lines within the garden premises. The said letter was received by the Manager, Dalmore T.E on 11.12.2020. But they did not take any action thereafter. (letter enclosed vide Ref: 2)

Hence, the accident had occurred due to sheer negligence of the Garden Management regarding safety of Wild Animals as standard height of 11KV overhead lines were not maintained as per IE rules.

This may be treated as an FIR.

Yours faithfully,

(Deepen Khawas)
