Sir,

I ASI Madhu Sudan Barman of Hatipota OP under Samuktala PS, Dist- Alipurduar, working under your supervision, do hereby lodge a written complaint against one unknown driver of an unknown vehicle to the effect that on 16.09.2021 when I was posted at Samuktala Road OP under Samuktala PS, I had prepared the inquest report over the dead body of an unknown male, deceased aged about 35 years, in c/w Samuktala PS U/D case no. 60/21 dated 16.09.2021. During preliminary enquiry it could be learnt that the deceased was a vagabond. The dead body of the deceased was lying on NH-31C near Chepani Chowpathy under Samuktala PS, Dist- Alipurduar. From the statement of witnesses namely Dwipen Modak and Hitaishi Debnath it could be learnt that the deceased could have died due to RTA by an unknown vehicle. The witnesses opined that the accident could have occurred on 16.09.2021 at around 02:00 hrs onwards. After preparing the inquest report, I had sent the dead body of deceased to Alipurduar District Hospital through indentifying police personnel C/203 Chandan Roy of Samuktala PS for conducting post-mortem examination to ascertain the actual cause of death. The P.M.E was done on 16.09.2021.

During further investigation, I have received the P.M examination report on 04.03.2022 vide Alipurduar District hospital P.M No. 888/21 dated 16.09.2021 where autopsy surgeon Dr. Anindya Saha, M.O, Alipurduar District Hospital opined that "Death was due to the effects of poly trauma and its complications probably due to RTA. Further if any will be given on receipt of chemical analysis report of viscera and circumstantial evidence".

During course of investigation, the identity of the unknown male deceased person could not be established/detected.

Hence, I request you to treat this written complaint as F.I.R and initiate a specific case U/S 279/304A IPC against an unknown driver of an unknown vehicle.

Enclosed:

1. P.M report
2. Inquest report
3. Dead body challan

Yours faithfully
