Sub : General Diary.

This is to inform you that on dated 08.06.2021 staffs of Pana Range and Wildlife Mobile Squad-II were on regular patrolling duty in Chinchula Tea Garden (Merico Tea Estate) area to avert any unwanted situation due to elephant depredation. Some of the unknown miscreants from the area threatened on duty government staffs to injure them bodily and hackled. Later on next day when the staffs visited the area to ascertain the extent of damage those unknown miscreants made them hostage and demanded spot compensation which is against any prevailing law. The Range officer, Pana Range had to rush the spot to save the staff but they turned hostile and forced the Range officer to call the higher authorities otherwise they would not release the staffs. The local panchayat member and representative of pradhan also there. Even after getting consent from higher authorities they did not release. Later on Kalchini Police was informed. Staffs were released after police reach the place on the condition that higher authorities would hold a meeting on 10th June 2021. Accordingly as per instruction of Deputy Field Director, BTR(West), I officially informed all the stakeholders including Tea garden management, BDO/Kalchini, Bon-o-Bhumi Karmadhakshya and Kalchini PS for their kind presence in the meeting. On the day of meeting (10.06.2021) initially the discussion was going very well but later on some of the local people and Senior Assistant Manager of Chinchula Tea Garden denied management's role in payment of compensation which is completely false as per law and used some unofficial and unconstitutional statement against the elephants which is our national heritage animal. His statement instigated some local youths to raise their voice and they started hackling the Gazetted officers from the Forest department present in the meeting. It is observed that some of the people have preplanned to create the nuisance. Few of these people are engaged in illegal timber smuggling and they try to instigate the common people against the forest department. They only allow us to leave the place after a written commitment (copy enclosed) that the matter will be looked into.

This is for your kind information and necessary action.
