Over the issue of Protest against fake Vaccinated programme held in Kolkata.

While working out this information I along with other officers and force of Alipurduar PS had been in front of Doors Kanya building at around 12:30 hrs and all of a sudden I could see a procession of approx 60-65 supporters of BJP Yuba Morcha were coming towards DM office holding their party flags and banner from Alipurduar Court more without keeping any social distancing and gathered in front of said office some of them were not wearing masks also at that time violating the Govt. order as per rules and regulation of lock down in regards of present Covid situation, no political/ non political gathering and activities are allowed. I requested them to maintain social distancing to follow Govt. rules related to lock down but they started arguing with police personal and obstructing public servant to discharge their duty and set down on the road in front of main entrance of DM office and started shouting slogans. Thus they violated of promulgators order to remain in one place and violated the condition of disaster management act. Hence, I pray that a specific case any kindly be started against the above noted accused persons

Yours Faithfully,
