Date 30.12.2021

Sir,

I, SI Tara Kanta Roy of Kumargram PS, Dist-Alipurduar would like to lodge a FIR to the effect that today on 30.12.21 at 15.25 hrs, in course of my mobile duty, I got an information that few miscreants involved with illegal lifting of stone and sand obstructed the course of river Sankosh at Bhairav Ghat near Sankosh Forest Busty. I immediately along with force went there to verify the information.

After arriving there, I noticed that at Bhairav Ghat area near Bhutan and Assam boarder, main course of river Sankosh got divided into two courses. One course has gone towards Assam while the other goes towards Bengal side. At that junction point, the miscreants have raised a temporary guard wall with the help of river bed materials directing the full flow of the river towards Assam resulting the flow towards Bengal side completely dry. The miscreants have done this willfully for lifting huge quantities of stone and sand from that dried area illegally for their wrong full gain.

For this artificial obstruction of normal flow of river, ecology and biodiversity around the area have been fully destroyed. And after thorough field enquiry it is found that the miscreants have stolen away huge quantities of sand and stone from that dried area illegally.

Hence, I pray before you that a specific case may kindly be started against the unknown miscreants for raising this illegal guard wall causing obstruction to natural river flow under appropriate section of law and its investigation may kindly be arranged.
