Ref: Alipurduar PS UD Case no. 53/21- dated 19.02.21

Sir,

With due respect I, PS Dwipayan Sarkar of Alipurduar PS do hereby lodge a written information that on 19.02.2021 above referred UD case has been initiated on the basis of written information of Dr. Michael Biswas, MO, District Hospital, Alipurduar that a male patient, namely Sunil Sarkar 58 years, S/O 11. Biren Sarkar of Vill & PO Totpara, PS- Samuktala, Dist- Alipurduar was admitted at said Hospital on 17.02.2021 at 05:03 PM with the history of RTA and he expired about 07:20 PM on 18.02.2021. After being endorsed as EO I conducted Surathal (Inquest) report over the body of deceased Sunil Sarkar and forwarded the body to the Superintendent of Alipurduar district Hospital for holding PM Examination.

During enquiry it could be learnt from the witnesses and relatives of the deceased person that on 17.02.2021 at about 08:30 hrs when he was riding his motor cycle (No. of the bike could not mention) on Samuktala Bazar road under PS Samuktala, suddenly he slipped and fell from his motorcycle and he got injured, firstly the relatives and local people shifted him to Samuktala rural hospital but later he was referred to Alipurduar Dist. Hospital for better treatment he expired. At the time of conducting inquest it was not confirmed whether it was due to RTA or Not and the family members of the deceased was not willing to lodge any complaint.

During enquiry received PM report of Deceased Sunil Sarkar 58 years from Medical officer Dr. Soumendu Chakdar who conducted PM and he opined that "Death was due to the effects on ante mortem injuries and diseased condition as noted above. Further, if any will be given on receipt of chemical examination report and circumstantial evidence."

Therefore, I pray that a specific case may kindly be started against the Motor Cycle rider under proper section of Law and arrange for further proper investigation as the place of occurrence falls under the Jurisdiction of Samuktala Police station.
