Sir,

With due respect I smt Isha Bose beg to state that the accused person was previously known to me and we used to maintain a very cordial relation. That in the month of February 2018 the above named accused requested me for providing financial assistance to the accused to the tune of Rs.100,000/- .And being pity upon his condition on 06/02/2018 I gave him loan amount of Rs.100,000/- with a condition that he will return the same within one year. But even after passing of the stipulated period the above named accused failed to repay the said loan amount and asked for further time and accordingly a loan agreement was executed between us on 16.11.2019 with a condition that he will repay the loan amount with 4 month from the date of execution of this loan agreement. But even after passing of 4 month the above named accused failed to repay the said loan amount and even took various dilatory tactics.

And when I asked the complainant why he has making such delay he disclose that he willfully induces me to get those loan amount and further disclosed that he was never intended to return the said loan amount. The accused taking the advantage of my innocence with a intention to cheat dishonestly induced me to give those loan amount to him and after getting the said amount misappropriate the said amount for his own gain.

I therefore most humbly requested you to make proper enquiry with regard to the above mentioned fact and take stern action against the perpetrator.

Your faithfully

Jiska Bose
