SUB:- LETTER OF COMPLAINT AGAINST HUSBAND

Respected Sir,

I, Mrs. Monika Sarkar, Resident of Dalimpur, Palakata, Alipurduar want you to write my Complaint against my husband, named Jayanta Barman and his family members. We are married since 2009, and we have ~~one~~ four children. He was good to me at first, but he is changed and annoying and tortured physically a lot since we have a child. I do not understand why he is doing this? His behaviour and attitude are different now. He is not showing that he does care or has any responsibility for a family.

Now he and his family members beats me so badly most of the time, and he does not support us financially. Last three times I have come in my own home for save my life and my children also. But again and again he tried to take me in his home and gave many type of excuses. But after some days spent the incident is going same as mentioned above. Not only my husband my mother-in-law, father-in-law, Daughter-in-law everyone provoke my husband for doing the same. Now last seven days ago he tried to kill me at night and I am escaped for save my life. And he took my little four children and now denied to give my children. Now I am out of my husband's home for being afraid of my life and also anxious for my children. For your kind information Local Gram Panchayat also tried to mutual this matter, But it will remain fruitless.

Therefore, I request you to please notice my written Complaint and take serious action on it for my secure future.

Your's Faithfully
