Subj:- FIR regarding RTA.

Sir,

With due respect and humble submission, I ASI Ratan Barman of Alipurduar PS do here by lodged a written information that on 01.11.2020 above noted UD case has been initiated in this PS on the basis of written information of Dr. Saran Shikder, Medical Officer of Alipurduar District Hospital that a male patient namely Biswanath Das, aged about 45 years S/O Lt. Rohini Kanta Das of Madarihat, PS- Madarihat, Dist Alipurduar was brought dead at the Alipurduar Dist. Hospital on 01.11.2020 at about 03:05 AM with the history of RTA over the written information started above noted UD case. I conducted Surathal report over the dead body of deceased Biswanath Das and forwarded the dead body to Superintendent of District Hospital, Alipurduar for holding PM examination report to ascertain actual cause of death. In course of inquiry, it came to learn from the family members of deceased that on the same day at about 12:00 hrs Biswanath Das while passing the road at near Toto Para More, NH 31, Madarhat when one unknown vehicle dashed him recklessly from the back side. As a result, he received seriously injury and then the local people rushed him to Alipurduar Dist. Hospital for his treatment. But due to his seriousness he has been brought death at Alipurduar Dist. Hospital. During inquiry, I received PM report of deceased Biswanath Das, aged about 45 years S/O Lt. Rohini Kanta Das of Madarihat, PS- Madarihat, Dist Alipurduar from Medical Officer of District Hospital Alipurduar, Dr. Pralay Kr. Pandit where he opined that "Death was due above mention injury and its complication probably due to road traffic accident. Until prove otherwise by circumstantial evidence & visceral chemical examination reports" vide PM Reg. Sl. No. 894/20 dt. 01.11.2020.

Therefore, I pray before you that a specific case may kindly be started over the incident of RTA and arrange for further proper investigation.
