Respected Sir,

I am Priya Agarwal age 38 years residence of Deokote B1, Jaigaon. I am writing to you as my husband and his relatives are highly torturing me and are using bad language and showing violence against me. About 21 years ago I was married to my husband.

The incident is too serious as from the last year they are torturing me, beating me and giving killing threats. I told my (Mother in law) that I don't want to live my husband as he is drinking alcohol too much, beating me and using bad language. Since one year he is not sending any money to home for expenses as I have to look after my children his relatives are continuously torturing me to live with him and they are giving me threat. Sir they have crossed their limits, they just want to kill me and are continuously torturing me with the talk.

I am forced to write you all this so that the action should be taken as soon as possible against them and I hope you will help me regarding this.

Thanking You
