I am producing herewith two arrested accused persons namely Bidyut Ghosh (M/29 yrs), S/O- Dilip Ghosh of Uttar Bhatibari, PS- Samuktala, Dist- Alipurduar and Animesh Sarkar (M/24 yrs), S/O- Late Sunil Sarkar of Falakata, Kalipur, PS- Falakata, Dist- Alipurduar along with 110 numbers of cough syrup bottles styled as Cododex containing Dextromethorphan, each bottle containing 100 ml. seized under proper seizure list. I, SI Abhishek Bhattacharya, Samuktala PS, do hereby lodge a Sub-Memo written complaint to the fact that today I received an information from my reliable source that the owner of Girish medical shop at Bhatibari has been selling the above mentioned cough syrup to the young youths in a large quantity as 'Gateway drugs' and the young youths are using it as a drugs and getting addicted.

Accordingly I direct the matter in the GD and I along with my team left for Bhatibari. After arrival at Bhatibari I took help of O/C Bhatibari Out Post and reached I with my source and ambushed near the shop styled as Girish medical. Meanwhile, we noticed one person came in front of the shop and one person from the shop came out with a bag and about to hand over to that person. As indicated by my source we hold raid and managed to detain both of them. On asking about their identity they stated incoherent statement. On pressing hard they disclosed their name as mentioned above.

On further interrogation the owner of Girish medical shop confessed before police that these drugs needs a prescription while selling in a large quantity and he used to sell this drugs without prescription in a large quantity which are used as a Gateway drugs by young people and getting addicted. I also interrogated the purchaser namely Animesh Sarkar, who also confessed that he himself consumes this drugs (Cododex) and also sells to the others.

On demand they could not produce any valid document in support of those cough syrup found in their position. They also informed the police that as cough syrup contain codeine are rare in the market. Accordingly they are selling this cough syrup containing Dextromethorphan as a substance of addiction. They are about to administer this drugs into the youth to establish their empire in the drugs industry for making wrongful gain.

Accordingly, I arrested them under section 41 CrPC and seized those drugs under proper seizure list. It is to note here that I requested the local people to be the witness but none came forward. Accordingly, I took my Police party as witness in search and seizure. After return back at PS, I made this complaint on my personal laptop and started Samuktala PS Case No. 165/22 dated 02/07/2022 U/S 328/511 IPC R/W sec 18(c)/ 27(b)(ii) of Drugs & Cosmetics Act, 1940 and SI Anil Kr. Sarkar has been directed to take up the investigation.
