Dated: 17.01.2021

SI Pradyut Sarkar of Alipurduar PS lodged this complaint against unknown female examinees of Anganwari workers.

I beg to report that today i.e., 17.01.2021 during performing RT van duty at about 15:45 hrs. I received an information that unknown examinees of Anganwari workers Examination blocked the road at Alipurduar Chowkatty under lockdown and disrupted the traffic. I entered in General Diary of the PS vide APD PS No. 17 dated 17.01.2021 and informing I/O Alipurduar PS. On getting information and on per instruction of I/O Alipurduar PS regarding road blockade I along with force and comprising special RT van party had been to Alipurduar Chowkatty to work out the situation.

On reaching at the spot, I found that an assembly of approx 150 unknown female examinees of Anganwari Workers(Aww) Examination of different examination centre under Alipurduar town area were gathered without keeping any social distance and violating the covid order and among them some of them were not wearing mask also at that time. As per rules and regulation of lockdown, no political, religious gathering and activities are allowed and started road blockade at Alipurduar Chowkatty crossing point of BF road (SH), Samuktala road and Kala-kata road over the issue of late arrival of Question paper in some examination centres of Alipurduar town area in connection with Anganwari workers Examination 2021. They started obstructing vehicles on Alipurduar Chowkatty resulting of which the free flow of traffic was totally choked on BF road, i.e., BF road, SH, Samuktala road and Kala-kata road. Then we requested them to withdraw the road blocked several times and directed them to move away from the road. Vehicles but they did not pay any heed to my words. I denounced their assembly as unlawful and asked them to disperse from the spot and lift the blockade, but they did not pay heed to my words and started restricting vehicular traffic and obstructing normal public passage and threatening the drivers.

After a long discussion and in spite of repeated warning, they continued the road blockade program until 18:30 hours, as a result free flow of traffic was disrupted along the road causing difficulty to innocent travelers and caused violation of Promulgators order and violated the condition of Disaster Management act.

Further, I pray that a specific case U/S 143/188/203 IPC r/w Sec 51 of Disaster Management Act 2005 and / of Epidemic Diseases Act 1897 may kindly be filed against the unknown examinees of Anganwari Workers and make necessary arrangement for its investigation.

Yours faithfully,

SI Pradyut Sarkar
PS & Dist Alipurduar
