Sub: Complaint against theft of property.

Sir,

With due respect I would like to draw your attention to the incident that happened to my own home at Upper line, Birpara on 19 Feb 2021.

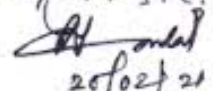

Sir, on 19th of feb 2021 my family went to meet relative at around 10am after proper locking of all internal and external doors and gates of house. When we came back at around 8pm we noticed that the main gate was locked as it was done by me, as well as the grill door of house was also locked with key as I did before leaving the house. But as soon as I entered the main door I noticed that the internal door of all the rooms were already in opened condition whereas the doors were properly latched by me before leaving. All the stuff like clothes bags were scattered all around the room. Finally we noticed that the main internal locker of the one iron alimrah was opened which was locked with key by me and the other locker of next almirah was broken forcefully. All the cash amount to Rs 9000/- is missing. We further noticed that a window of varandah side room was opened which was latched from inside by me. Though all the windows are barred with iron rod. While looking and observing all around the house we noticed that an iron hook which was supposed to latch the outside toiled seems to be used to open a window. That iron hook was finally thrown away by them that we recovered it inside our varandah. Some items like mobile phone, iron knuckle, match box was recovered from the room which doesn't belongs to my house.

Therefore, I would like to request you to lodge an FIR against those goons who entered my house crossing the perimeter wall and breaking the latch of window in the darkness and stole away the above mentioned property in our absence when no body was present in the house. I urge to follow up all the evidence thoroughly and request for justice in the form of rigorous punishment to those anti social goons bringing them behind the bars immediately.

Thanking you.
