Sub: First Information Report

Sir,

In producing herewith seized article viz, (i) one vehicle bearing registration no- WB 69-9874 Tractor with trolley loaded with river bed materials along with original seizure list.

I, beg to state that on 11.07.2022 at around 12.45 hours while I, ASI Debabrata Das along with force was on R/T mobile duty received reliable source information that some persons are engaged in illegal mining of river bed materials at the Raydak River Bed near Dhumpara Ghat under Kumargram PS, Dist Alipurduar. Accordingly, I informed the matter to I/C Kumargram PS and as per his direction I along with force had been to Dhumpara Ghat to work out the information. While conducting search & raid at Raydak River Bed near Dhumpara Ghat found the above mentioned Tractor with trolley approaching from Raydak River Bed side loaded with river bed materials from river bedside. Then I signaled the driver of said Tractor to stop his vehicle and requested the driver to board down from his tractor & conducted search of the Tractor & found the Tractor with trolley loaded with river bed materials. But in the meantime the driver of the Tractor managed to flee away from the spot leaving his Tractor with trolley loaded with river bed materials to evade Police arrest.

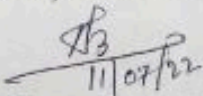

During inquiry it revealed that the loaded river bed materials were illegally procured & loaded from Raydak River bed. Hence, it is strongly believed that the river bed materials were mined and procured illegally from the river bed and the driver was on his way to dispose of the same for wrongful gain. After being thorough inquiry, it is revealed that the river bed materials was procured & loaded by illegal means hence no royalty from the concerned authority was issued against the lifting/loading/transporting of stones. Accordingly, I seized the above noted Tractor with trolley loaded with stones under proper seizures list in the presence of witnesses.

Hence under the above noted circumstances, I pray that a case under proper section may kindly be started against the driver of the seized Tractor with trolley loaded with river bed materials and arrange for its investigation.

Enclosed:

(i) Original seizure List.
