Dear Sir,

I Sanjay Xalxo, S/O Lt Homa Xalxo, resident of Sankos Forest Village, P.O. Newlands, P.S. Kumargram, Dist: Alipurduar, hereby like to submit this written-complaint before you that

Yesterday dated 11/10/2021 there was a marriage ceremony in our village in the house of Dilip Chhetri. My father as a village friend had taken full part in the said marriage ceremony since morning by helping the family in doing all kinds of house hold works such as cutting vegetables, meat etc.

After the groom party had left for their home at around 11:00 pm my father along with other villagers were arranging all the household things. During that time the above mentioned accused person started quarrel with a senior man named Shri Dasrath Chhetri who is the elder brother of Mr Dilip Chhetri (Father of bride). As the situation was turning to be very worse my father interrupted to handle the situation and tried to console the accused person requesting him not fight with such senior person (Dasrath Chhetri).

Within a moment the accused person started assaulting my father and made him fall to the concrete floor causing severe wound in his head. He was very badly hit in his face and other part of his body. He was not spared even when he was severally bleeding from his head and continuously vomiting. When rescued my father was unconscious and was only with heart bits. Without doing any delay we rushed him to Sankos T.G.Hospital. Doctor said that his condition is very serious and was immediately referred to Alipurduar District Hospital. After reaching there within few minutes my father succumbed to death due to severe injury caused by the accused person.

The accused person is very violent and dangerous person. He has several past records of rowdies behavior in the society.

I would request to please take strict action against the culprit who has totally ruined our family by taking my father's life.

Please do lodge my complaint and take necessary action against the culprit and give justice to us.

The above complaint is written as per my dictation and after writing, the same was transmitted to me in my mother tongue. I admit this same is true. Being satisfied I have signed the F.I.R.
