5. That, from this matter; it was suspected that the victim did not commit suicide and the assumption got support by the continuous acts of domestic torture upon the victim by the accused persons at her in-laws. For that reasons, the complainant assumes that the accused persons have murdered the victim and then hanged her to screen their guilt.
6. That, regarding the matter; the complainant informed the matter to the local Falakata Police Station on 23/06/2020 through registered post, vide no PW942635888IN, which was duly received by them on 29/06/2020. But they did not take any step. And it is necessary to mention that the accused persons are supporters of ruling political party; for that reason, they have nexus with the administration.
7. That, after elapse of a couple of days; the complainant filed a complaint before the Superintendent of Police, Alipurduar on 15/07/2020, but again the reluctant attitude out came.
8. That, finding no other alternative, the Petitioner became bound to take the shelter of this Ld. Court for initiation of investigation upon the guilt of the accused persons. Hence this Ld. Court has ample power to direct the concerned police station to register an FIR and to investigate this cognizable incident.
9. That, at this outset it is prayed that Ld. Court may take this complaint and direct police Administration of concerned jurisdiction to initiate investigation.
