In the year 2015 I made a complain at his regiment(Commanding Officer) regarding the matter in respond they sent an officer with my husband and ask for mutual so I agreed and went home with him to settled a happy life as I have a daughter it was ok for couple of month and things turn back on its same track of their daily route of my Mother in Law /Father In law /Sister in Law abusing and physical and mentally torture , Nether he sends money for my personal expenses or for his daughter as per army rules a joint account has to be opened with wife so that even wife would get his part of salary but yet he has not done that after asking me several time. On dated 24th Aug 2021 my Mother in law and her daughter physically tortured hold my hair and strangled me out of home abusing go out of my house. Me and my daughter was there in our room without any food as they did not allow me to get into kitchen .
